

OSCAR SISK IS HELD; FAILS TO GIVE BAIL

Alleged Leader of Stokes County
Moonshiners in Jail to
Await Trial.

SAW HIM WITH HIS GUN

Deputy Milliken Declares It Was
Sisk Whom Hendrix Was
Pursuing—New Arrests.

(Special to The Times-Dispatch.)
GREENSBORO, N. C., January 6.—Before United States Commissioner Wolfe here this afternoon the preliminary examination of Oscar Sisk, of Stokes county, charged with blockading the highway, resulting in Sisk's being required to give bond in the sum of \$2,500 for his appearance at the April term of the Federal Court. Failing to give bond Sisk was recommitted to jail.

District Attorney Holton prosecuted the case. Sisk introduced no testimony. His attorney, Colonel J. A. Barringer, contending that the government had made no case. The only witnesses were Deputy Marshal Milliken and Deputy Collector Standish, who told of the raid last month in Stokes county, and of seeing a man at the head of a branch with a gun, who ran, and of Officer Hendrix following a few moments later; they heard a gun fire and a bell ring, and going to a clearing, they found Officer Hendrix lying dead in Sisk's yard, thirty feet from his dwelling. Mr. Milliken testified that the man he saw with the gun, and whom Hendrix was following, was Sisk; that after finding Hendrix's body, he went in search of the still, finding it in 100 yards of Sisk's house, and in full swing; also to finding jugs of whiskey in some fodder piled in Sisk's yard.

Says He Was Not There.
Witnesses admitted that Sisk was nowhere about the premises, and that Mrs. Sisk told them that Jim Smith killed Hendrix while the latter was aiming a rifle at him. Smith is still at large, there being a reward of \$1,000 out for his arrest. The government paid \$1,000 for Sisk's arrest, and it is now believed that Sisk gave himself up and shared in the reward. He declares he can prove by twenty witnesses that he was three miles away from home the morning of the homicide, and nothing of the presence of the revenue officers.

Two More Brought In

Revenue officers to-night brought in two more alleged illicit distillers, John Williams and Joe Bateman, from the Smithtown section of Stokes county. They were placed in jail here awaiting a preliminary hearing before Commissioner Wolfe January 15th. Bateman pleaded guilty to blockading at the last term of the Federal court. Judge Boyd, after sentencing the Smithtown neighbors to the penitentiary, sent Bateman home as a missionary, and let it be a warning to him and all others in the settlement. Since then an officer has been killed there and blockading increased.

Railroad Men to Be Tried as Result of

Disastrous Wreck.

(Special to The Times-Dispatch.)
RALEIGH, N. C., January 6.—Judge J. Crawford Biggs, of Durham, convened Wake county court to-day for a two weeks' term, there being 160 cases on the docket. One of the most important of these is the case growing out of the terrible head-on collision near Auburn, this county, between an eastbound Southern Railway passenger train and a westbound freight train. The case is set for Friday of this week, and in it Engineer W. W. Rippey, Conductor C. M. Oakley, of the passenger train, and Train Dispatchers P. V. Ketchum and Victor Parvin, the latter being chief dispatcher for the Durham Division of the Southern, will be tried for criminal carelessness, in that Rippey and Oakley forgot their orders to meet the freight at Auburn, and the train dispatchers failed to use the "middle order" system in compliance with the rules of the company, to that the agent at Auburn would have received a duplicate meeting order and displayed a light signal that would have reminded the train crews of the meeting order and served as a double check or precaution against accident.

During the present term of court there are to be trials of a number of women of Raleigh on the charge of keeping disorderly houses, who are appealing from convictions and sentences in the city police court.

Better Understanding Between Durham

Merchants and the Company.

(Special to The Times-Dispatch.)
DURHAM, N. C., January 6.—At a conference in Durham to-day between members of the Merchants' Association and Superintendent Terrell, of the Southern Express Company, the latter answered the complaint of the Durham merchants regarding discrimination in express rates.

Heretofore it has cost less to the sender of a package from New York and other Northern points than it did to send to the same points from Durham, and the Durham merchants carried the matter before President O'Brien, of the express company. Superintendent Terrell explained the error satisfactorily, and this understanding with the company will cause better relations between the two.

RALEIGH, N. C., January 6.—Hon. Jas. R. Young, Insurance Commissioner, has received from Chief J. H. Gallagher, of the Washington, D. The commissioner doubts if there is another town in North Carolina the size of Washington that can make so good a showing.

GROUNDWORK FOR GUARD IN A BAD CONDITION

North Carolina Association Will
Have Them Improved, or
Change the Site.

FAVOR THE DICK BILL

Congressmen and Senators Urged
to Vote for This Measure.
Names for Appointments.

(Special to The Times-Dispatch.)
RALEIGH, N. C., January 6.—The North Carolina National Guard Association, in session here to-day, registered a strenuous kick against what is declared to be unendurable conditions at the State encampment grounds, near Wrightsville or other sites offered for permanent camp grounds.

The association appointed General J. E. Armfield, of Stateville; Colonel E. Van B. Metts, of Wilmington, and Major C. D. Harris, of Raleigh, as a special committee to take the matter up with the Morehead and Norfolk and Southern authorities and insist on each complying with contracts, especially in the matter of constructing houses for officers, storage buildings and water supply before the next annual encampment.

Failing to get satisfactory equipment, the committee is to procure the calling of a special meeting of the association, so that a change of camp grounds can be brought about for the sessions of the association.

Welcomed by Governor.

President J. W. Norwood, of Stateville, is presiding. Governor Glenn delivered the address of welcome. He pledged his hearty support to whatever the association may decide is for the betterment of the interests of the guard and paid a high tribute to the superb showing the North Carolina guard, officers and men, made at the grand review held at Jamestown North Carolina week.

A resolution was adopted calling on the North Carolina Senators and Representatives to support the amendment to the Dick bill pending in Congress that greatly strengthens the guard, making it a secondary line of national defense, and increasing the national appropriations, so that this State would receive about \$100,000, instead of \$10,000, for guard purposes.

Night Session.

At the night session the association decided to defer the final adoption of the resolution concerning the recommendations that shall be made to Governor-elect as to appointments of heads of departments until the meeting of the association at the next annual encampment, when practically all the officers of the guard will be present and can vote on the proposition.

There was a lengthy discussion of the advisability of asking the Legislature for a \$500 appropriation that will include payments of 50 cents for each drill, not exceeding twenty-four each year, and 1 per cent for days in camp to the privates. This will also be considered further at the encampment.

President Norwood announced standing committee appointments as follows: Executive Committee—Captain Hobgood, Third Regiment; Captain Robertson, Second Regiment; Captain Parker, First Regiment; Lieutenant E. Chase, Naval Brigade; Captain Norwood, First Regiment; Lieutenant-Commander Bradham, Naval Brigade; Captain Williams, artillery; Captain W. C. Rodman, Second Regiment.

Literary Committee—Colonel Metts, Second Regiment, chairman. Major Young, Athletic Committee, chairman. First Regiment, chairman.

Entertainment Committee—Captain Moody, Third Regiment, chairman. History Committee—Colonel McGhee, chairman.

INTEREST IN GOOD ROADS.

Citizens of Spotsylvania Have Fine Meeting.
Favor New Road.

(Special to The Times-Dispatch.)
SPOTSVYLVANIA, Va., January 6.—The meeting held here to-day in the interest of good roads was a fine one. There was a large attendance, and the subject was treated in this important question. A feature of the meeting was the adoption of resolution in favor of the proposed new road which the citizens wish to build. The resolution instructs the members of the General Assembly from the county to use their best efforts to secure the passage of the law which forbids the building of another line to parallel the Richmond, Fredericksburg and Potomac.

Hon. C. O'Connor Goehlek, member of the house from this district, addressed the meeting and outlined a plan which will enable the county to work its road under the State law. He also read three bills, which, if passed by the Legislature, will allow the citizens of the county to vote upon a bond issue for road improvement, and the sentiment of the meeting highly indorsed his plans.
